Update: Postponed until September, further details pending. For reservations you may still contact Kathy Powers, or Barbara Bennet Parsons.

This is the Big One, folks. All summer long you've been saying that you should have a garage sale and get rid of ,ahem, relocate some the excess that has been accumulating. Maybe you don't have any yard space for a garage sale, or maybe you're street is hard to find? We're making it Soooo easy for you! The City of Hoquiam and the Hoquiam Farmers Market are providing the space, all you have to do is set up your treasures and sell them!

The proceeds from the rental of sales space will go to the Hoquiam Food Bank. Of course, further donations to the Food Bank will also be deeply appreciated. Several locations will be available.

Cost is a mere \$20.00 per space, and the fee may be paid in food; 1 can of food equals \$1.00.

Contact for the City Space is Kathy Powers Waite 532-0637

The Hoquiam Farmers Market is going to make a day of this event with live music, face painting, balloons and much more. They are offering outside space for \$10.00 and for another \$5.00 you may rent one of our canopy tents. By the end of August we are all hoping that you have extra produce in the garden, so please bring it on over and sell it at the market! You can bring art crafts or yard sale items. Donations to the Food Bank will be gratefully accepted.

For further information about reserving a spot, call Barbara at 538-9747 or 532-3235
