By special request Westport Winery has added a mystery dinner theater evening to its summer schedule. On Father's Day, Sunday, June 16 at 6 p.m. the winery will offer the play *What Happens in Markham, Stays in Markham*. For dinner, guests will be served a special Markham-themed menu including the winery's signature oat rolls and sweet butter as they arrive and order beverages. After the first act they will enjoy an Ocean Spray summer salad. For their entrée guests have a choice of Asian BBQ Kolbi pork ribs or wild Pacific salmon accompanied by cranberry rice pilaf and sesame-seared broccoli. The evening's entertainment will conclude with their choice of one of the winery's signature pies including dark chocolate, key lime, triple coconut and fresh raspberry cream. All ages are welcome to attend this hilarious event. Volunteers are needed to participate as actors in the play. There is no rehearsal, but actors must stay in character throughout the evening, provide their own "costumes", and purchase dinner tickets. Those who participate need to mingle, act responsively to the narrator's cues, and possibly...die. If you are interested in participating as an actor email kim@WestportWines.com to receive the character and costume descriptions.

Tickets for *What Happens in Markham, Stays in Markham* are \$35 per person and include dinner, dessert and the play. Taxes, gratuities and beverages are additional. All guests are welcome to wear their finest Grays Harbor camouflage couture if they want to get into the spirit of the evening whether they are performing or not. Reservations are required to attend this Harbor happening. Westport Winery, Restaurant, Bakery and Nursery are open daily at 11a.m. The winery is open for lunch daily from 11 am. to 4 pm. and for dinner on Friday and Saturday evenings from 4 p.m. to 8.p.m. The winery with its unique grape maze, extraordinary outdoor sculpture and display gardens is located on the corner of Highway 105 and South Arbor Road halfway between Westport and Aberdeen.
