Fireworks on the Memorial Day weekend is just one of the "new looks" for this fan favorite Home Show on the summer's first long weekend. Levee Lumber, Better Homes & Gardens Real Estate, Sunny 102.1, and the Ocean Shores North Beach Chamber of Commerce are the Home Show's main sponsors and have now been joined by South Hill Satellite – an exclusive vendor providing Satellite TV, Cable TV, Internet, Phone Services and more. Last year's successful experience at the show was the reason South Hill Satellite made the sponsorship commitment for the upcoming show, according to Travis Bride, South Hill's Events Coordinator. "We met a lot of great people and did business for months following the show in Ocean Shores and all over the Twin Harbors." The EXPO has continued to promote this weekend long show by adding events that have become fan favorites including an RV EXPO, an Art Show with dozens of local and regional artists in the Oceans of Fine Art Show, more Chainsaw Carvers than last year, an antique Hotrod car show, and the Memorial Day Event remembering those who have given all to provide our freedom as a country.

This year several new events are planned including a Fireworks Show. "I love fireworks and am looking forward to starting a tradition with Fireworks in May!" says Dennis Irby the show's General Manager. "We are looking for sponsors to insure all these events are presented at their best this year," says Mark Plackett. "We have room for several more sponsor on all the events and especially the Fireworks Show." Call Mark at 360 289-0490 or call Dennis Irby at 253 318-3272.
