HOODSPORT, Wash. - At approximately 5:00 PM on Saturday, March 23, 2013, Christina BACA, aka Christian M. SKAGGS, age 39, walked away from a vehicle being driven by her husband Edward BACA, age 58. They were in the area of North Fairway Drive and State Route 119, which is in the Hoodsport area of Mason County. According to Edward, Christina walked to the area of the Hoodsport Trail Head and about 45 minutes later, Christina called Edward on her cell phone and stated that she was going to be walking home. At approximately 10:49 AM Sunday, Edward called to report that his wife Christina never returned home, but that she has done this before. Edward also informed Deputies that Christina is suffering from being Bi-Polar and had been drinking alcohol Saturday afternoon.

A K-9 track was conducted by Sergeant Trevor Severance and his blood hound "Cedar" and there is a possibility that someone may have provided Christina a ride. A search & rescue mission is in progress at this time with at least 20 ground searchers looking for Christina. Christina BACA, aka Christian SKAGGS is described as being a 39 year old white female, 125 lbs., with shoulder length brown hair and green eyes. Christian was last

seen wearing bright pink pajama bottoms and a green jacket. Attached to this press release is a photo of Christina. The Mason County Sheriff's Office is asking for the public's assistance to find Christina BACA. If anyone has any information regarding her whereabouts, you are asked to help by calling the Mason County Sheriff's Office at (360)427-7761 and provide your information. Thank you.
